## Committed to the rescue and rehabilitation of mistreated horses along the Western Slope

**Overview:** Mountain Valley Horse Rescue (MVHR) is a nonprofit dedicated to rescuing, rehabilitating, and re-homing horses that have been mistreated. When taking in horses, MVHR focuses on their recovery and evaluates their status, then seek out qualified foster homes for the horses, with the ultimate goal of adoption. MVHR runs a range of programming, including partnerships with local schools, veterans, and business to practice teambuilding by serving and connecting with their horses.

**Day-to-day**: Students will work hands-on with the horses as well as assist in administrative projects. Specific assignments will be given to the group based on the needs of the organization at the time of arrival. Students will be working outdoors.

**The Nitty-Gritty Details:** Participants will stay in simple accommodations. The temperatures will be low and service will be partially outdoors, so pack warm clothing and boots for snow. Participants will have a grocery budget for the week.
