

GREENVILLE HUMANE SOCIETY

Overview: The Greenville Humane Society is the largest no-kill facility in South Carolina and North Carolina. The “Playpen” (puppy/kitten room) is one of the major attractions for visitors and thus it is essential that it maintains a clean, neat appearance at all times. In addition, it requires a lot of dishwashing, laundry and opening newspapers to keep the puppies and kittens in the healthy environment necessary for their care.

Day-to-day: Students on this trip will work to maintain the “playpen” and act as Puppy Patrol Volunteers. They will also be tasked to assist the adoption staff in performing the tasks to ensure the health of all pets. When there’s no other work to be done you’ll have the opportunity to walk a dog!

The Nitty-Gritty Details: Housing is separated by gender. There will be a kitchen available to cook meals but it is recommended that you bring a budget for additional meals.
