

HABITAT FOR HUMANITY: SOUTHWEST ALABAMA

Overview: The Habitat for Humanity mission is stated to provide Simple, Decent, Affordable and Sustainable Housing. Whereas those goals are clear and simply stated, execution of those goals requires caring and committed people. The people that make up our affiliate are those type of people. Habitat for Humanity of Southwest Alabama is a home-ownership program that builds and sells homes to hard-working families in need of decent and affordable housing. We are a local and autonomously funded affiliate of Habitat for Humanity International, a non-profit, ecumenical Christian housing ministry.

Day-to-Day: Service will be from 8:00 AM-3:00 PM each day. Projects may include improving existing housing structures, helping build a house or volunteering on other projects that help meet the goals of Habitat for Humanity in the community.

The Nitty Gritty Details:

Sleeping arrangements are usually in our Volunteer house, but if we are not the only Collegiate Challenge group, we can be placed in a Church, so a sleeping bag is necessary. Host sites will provide the group with a safe place to sleep, shower and prepare meals at no additional cost. Groups are fed lunch on work days. Groups are responsible for providing all other meals.
