

GIVE KIDS THE WORLD

Overview: Give Kids the World is a 79-acre, nonprofit resort in Central Florida that provides weeklong cost-free vacations to children with life-threatening illnesses and their families. Families are provided fully furnished villas, transportation, tickets to theme parks, meals, daily entertainment, and much more.

Day-to-Day: Participants will be inspiring hope and creating priceless memories through roles as ride attendants, pizza/ice cream servers, cart drivers, craft leaders, dress up cast members, or by serving the staff with their day-to-day needs. Volunteer shift times vary from early morning to late evening. The group may be separated into smaller groups depending on the service needed.

The Nitty Gritty Details: This trip is in collaboration with the Ohio State student organization, Wishmakers on Campus (Make-A-Wish at Ohio State). Group members will be determined by the student organization.

Several meals will be included throughout the day depending on service schedule. The group will receive a small grocery budget to purchase food for other meals but participants should plan to spend additional funds on food.
