

## SOLOMON'S TEMPLE (City of Refuge)

**Overview:** Solomon's Temple is a non-profit organization dedicated to community development efforts that lead to the stability and sustainability of the local community. The community the organization serves is a community in crisis but also a community with hope and resilience. Although Solomon's Temple is located just west of the new Atlanta Falcons Stadium, it is one of the poorest and most crime-ridden areas in the nation. With almost 40% of the residents living below the Federal Poverty Level, the neighborhoods face high crime rates, high unemployment, poverty, and homelessness. The mission of Solomon's Temple is to serve as a bring light and a place of hope and transformation to Atlanta's last, lost and least.

**Day-to-Day:** Participants will serve by assisting in the food bank and the early childhood/ youth programming. Service will largely include spending time with the children and serving as mentors in their after school and community programs.

**The Nitty Gritty Details:** Group members will be staying on site in bunk rooms for men and women. Participants will need to provide their own bedding. Most meals will be served by the site. A small grocery budget will be provided for the group to also purchase food.
