Fighting to decrease the number of children dying from preventable diseases

Overview: Partners for Care is a non-profit organization that works to serve the developing nations to give children the opportunity to have safe water, food to eat, attend school, and grow up healthy. PFC initiatives are Kenyan-led and are designed to serve the people of East Africa in sustainable ways.

Day-to-day: Participants will serve within the Partners for Care headquarters, helping with a variety of tasks given by the PFC staff. They will also help with different projects for PFC's community partners in the Atlanta area.

The Nitty-Gritty Details: Group members will stay in bedrooms in the founder's home. One meal will be provided by OSU Alumni. Participants will be given a small budget for groceries to use for other meals. It is recommended that you bring a budget for additional meals.
