

BUCK-I-SERV

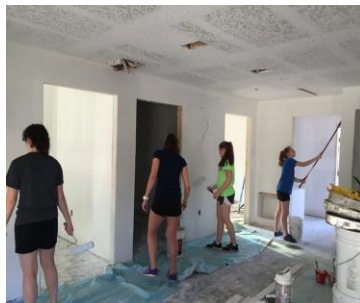

TRAVEL | LEARN | SERVE

HABITAT FOR HUMANITY, COMMON GROUND RELIEF & LOUISIANA ANIMAL CENTER

Overview: This site will combine service at 3 organizations to provide a diverse view of the city's needs. Part of the trip will be spent with Habitat for Humanity New Orleans, tackling issues of homelessness and poverty. The second service site will be with Common Ground Relief surrounding issues of environmental restoration. The third site will be focused on animal welfare at a rescue and care center. All 3 organizations are helping to rebuild, create sustainability throughout the city, and capture the vivacious culture and hope that is New Orleans. If you enjoy different types of service and want to interact with both people, animals and the environment this is great trip option.

Day-to-Day: Days will be divided up between the three organizations throughout the week. Service at the habitat site could include painting, drywall, flooring, insulation. Service at Common Ground could include planting trees, native fruit and marsh grasses. The animal center will include working with animals and keeping the center clean.

The Nitty Gritty Details: Participants will stay at a church in bunk rooms and should expect to bring their own bedding. Meals are not provided by sites but the group will be given a small grocery budget to purchase food items that can be cooked in the church kitchen.
