Serving communities impacted by flooding in Eastern Kentucky through disaster relief, environmental, and community service projects

Overview: Community Collaboration's priority is providing direct relief to individuals and families that have been displaced by the flooding. In addition, local community organizations, such as food banks and after school programs, struggle to meet the increased needs of their clients and constituents during these difficult times, CC International volunteer teams will help these organizations serve their constituents and get back on their feet.

Day-to-day: Service may involve disaster relief, environmental, and/or community service projects.

- **Disaster Relief projects include** flood clean up, debris removal, housing construction and repair, and support for local community organizations.
- **Environmental projects include** tree planting, stream debris removal, native plant propagation, wildlife habitat restoration, storm water treatment, and parks and public lands restoration.
- **Community service projects include** working with community-based programs that serve youth, homeless, elderly and low-income members of the community.

The Nitty-Gritty Details: Housing for this trip is to be determined. Meals are all included.

Additional Details: Please note that **this is a trip for Fall Break 2022**. Participants will depart campus at 6:00pm on October 12th and return to campus the evening of October 16th. The group will engage in direct service October 13th-16th. **Applications are due September 11th.**
